#### SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 1608 of this title.

### § 1608. Civil penalties

#### (a) Liability of vessel operator for violations

Whoever operates a vessel, subject to the provisions of this chapter, in violation of this chapter or of any regulation promulgated pursuant to section 1607 of this title, shall be liable to a civil penalty of not more than \$5,000 for each such violation.

#### (b) Liability of vessel for violations; seizure of vessel

Every vessel subject to the provisions of this chapter, other than a public vessel being used for noncommercial purposes, which is operated in violation of this chapter or of any regulation promulgated pursuant to section 1607 of this title, shall be liable to a civil penalty of not more than \$5,000 for each such violation, for which penalty the vessel may be seized and proceeded against in the district court of the United States of any district within which such vessel may be found.

#### (c) Assessment of penalties; notice; opportunity for hearing; remission, mitigation, and compromise of penalty; action for collection

The Secretary of the department in which the Coast Guard is operating may assess any civil penalty authorized by this section. No such penalty may be assessed until the person charged, or the owner of the vessel charged, as appropriate, shall have been given notice of the violation involved and an opportunity for a hearing. For good cause shown, the Secretary may remit, mitigate, or compromise any penalty assessed. Upon the failure of the person charged, or the owner of the vessel charged, to pay an assessed penalty, as it may have been mitigated or compromised, the Secretary may request the Attorney General to commence an action in the appropriate district court of the United States for collection of the penalty as assessed, without regard to the amount involved, together with such other relief as may be appropriate.
